

# Omnia Health Live Africa

12-16 October 2020

Empowering you with access to the  
latest healthcare content and insights

Free CPD accredited event

Brought to you by:

# Attend the virtual event

Omnia Health Live Africa is bringing together the ‘always-on’ aspect of the digital world with networking and connection-making opportunities that you can access from anywhere, to connect with exhibitors – browse solution providers from across the globe and connect with them through virtual meetings.

Continue learning with 26 virtual sessions, half a dozen keynote presentation and free CPD credits for the clinical sessions, register for free and attend from the comfort of your own home.

Informa Markets, the team behind renowned expos like *Africa Health*, *Medic East Africa*, *Medic West Africa & North Africa Health*; has combined expert knowledge from these events to bring the medical community a premium virtual expo designed specifically for the African healthcare community.

Omnia Health Live Africa is a virtual, 5-day healthcare expo running from 12-16 October 2020, uniting the most innovative and knowledgeable minds from the African healthcare communities. It's a platform designed for you to engage with your peers, hear from experts and network with suppliers.

We are proud to bring you an innovative alternative to the traditional face-to-face tradeshow and conference experience. Best of all: The event is completely free to attend

## Attend this virtual event and:

- Gain free CPD points
- Discuss topical healthcare issues of the day with your peers
- Hear from Africa’s top healthcare leaders and gain insight into their winning strategies
- Join multiple sessions online at your convenience
- Connect with leading companies in the healthcare sector

## Knowledge partner

## In partnership with

# Overview

## Key topics
