PROGRAMME.....	10
Session: The impact of low-quality PPE on infection control in Australia	10
Session: Lab management during the COVID-19 pandemic.....	10
Session: Panel: Cancer care delivery challenges and solutions in the pandemic.....	10
Session: Staying safe & staying sane: Sustaining and maintaining the mental health needs of healthcare workers	11
Session: SPOTLIGHT: COVID-19 testing lessons learned in the US.....	11
Session: Panel: World-class quality management within multidisciplinary health services.....	11
Session: Medical Technologists Versus COVID-19: The Philippine Experience	12
Session: Panel: Regenerative medicine in MSK in the era of COVID-19.....	12
Session: COVID-19: Peri-operative considerations	13
Session: Validating testing during a novel pandemic.....	13
Session: Panel: Women's health care in the era of COVID19.....	13
Session: Panel: Key decision points around imaging in COVID-19 patients	14
Session: Blood donor recruitment and retention strategies.....	14
Session: Enabling effective infection control across the Arab Gulf region	15
Session: Panel: New frontiers and innovations in Patient safety.....	15
Session: Panel: Availability and safety of blood supply during the pandemic of COVID-19.....	15
Session: Having difficult conversations on end of life and palliative care	16
Session: Emergency preparedness & top tips for emergency medicine practitioners and pre-hospital care professionals.....	16
Session: Panel: Operating through the endoscope: The new minimally invasive surgery revolution	17
Session: Primary care recovery post-COVID19 – how to rejuvenate the system for the future.....	17
Session: Panel: Future surgery: which technologies will make the biggest impact?	18

ATTENDEE INFORMATION

Overview:

By collaborating with global thought leaders and innovators, Omnia Health Live aims to give back to our global community of healthcare professionals by providing free CME resources and insights into the latest best practices, techniques and technologies to healthcare's most pressing challenges.

Sessions include:

- The impact of low-quality PPE on infection control in Australia
- Lab management during the COVID-19 pandemic
- Cancer care delivery challenges and solutions in the pandemic
- COVID-19 testing lessons learned in the US
- Staying safe & staying sane: Sustaining and maintaining the mental health needs of healthcare workers
- World-class quality management within multidisciplinary health services
- COVID-19: Peri-operative considerations
- Regenerative medicine as a revolutionary way of maintaining optimum health
- Women's health care in the era of COVID19
- Validating testing during a novel pandemic
- Key decision points around imaging in COVID-19 patients
- Blood donor recruitment and retention strategies
- New frontiers and innovations in Patient safety
- Enabling effective infection control across the Arab Gulf region
- Availability and safety of blood supply during the pandemic of COVID-19
- Having difficult conversations on end of life and palliative care
- Emergency preparedness & top tips for Emergency Medicine practitioners and pre-hospital care professionals
- Operating through the endoscope: The new minimally invasive surgery revolution
- Future surgery: which technologies will make the biggest impact?
- Developing affordable, accurate test kits for COVID-19
- Primary care recovery post-COVID-19 – how to rejuvenate the system for the future

Learning objectives

- Apply new knowledge and evidence-based standards to improve healthcare practices for patients with COVID-19
- Review the challenges during the COVID-19 pandemic in health care delivery in various disciplines and establish best practices
- Develop efficiencies in patient flow, procedures and medical management to manage a surge in patients with COVID-19 while maintaining quality measures
- Evaluate current and emerging technologies for the efficient management of healthcare provision during COVID-19
- Assess your environmental disinfection and infection control measures against the latest standards for the COVID-19 pandemic
- Implement accurate lab testing and diagnostic tools and standards for COVID-19

Target audience

The CME sessions are directed to all physicians, including:

- Allergy / Immunology
- Anesthesiology / Pain Management
- Cardiology
- Critical Care
- Dermatology
- Emergency Medicine
- Endocrinology
- Family Practice
- Gastroenterology
- Hematology / Oncology
- Infectious Disease
- Internal Medicine and Subspecialties
- Nephrology
- Neurology
- Neurosurgery
- Nursin
- Ophthalmology
- Orthopaedics

- Pathology
- Pediatrics
- Pharmacology
- Psychology / Psychiatry
- Pulmonology
- Radiology
- Rheumatology / Immunology
- Surgery
- Urology
- Wellness
- Women's Health

Clinical/CME Sessions Schedule

Date	Timings (GST)		Session name
Monday, 22 June 2020	10:00	10:30	The impact of low-quality PPE on infection control in Australia (Parallel to the 10:00-11:00 session)
Monday, 22 June 2020	10:00	11:00	Lab management during the COVID-19 pandemic
Monday, 22 June 2020	12:00	13:00	Panel: Cancer care delivery challenges and solutions in the pandemic
Monday, 22 June 2020	14:00	15:00	SPOTLIGHT: COVID-19 testing lessons learned in the US
Monday, 22 June 2020	14:00	15:00	Staying safe & staying sane: Sustaining and maintaining the mental health needs of healthcare workers
Tuesday, 23 June 2020	10:00	11:00	Panel: World-class quality management within multidisciplinary health services
Tuesday, 23 June 2020	12:00	13:00	Medical Technologists Versus COVID-19: The Philippine Experience
Tuesday, 23 June 2020	16:00	17:00	COVID-19: Peri-operative considerations
Tuesday, 23 June 2020	16:00	17:00	Regenerative medicine in MSK in the era of COVID-19
Wednesday, 24 June 2020	12:00	13:00	Panel: Women's health care in the era of COVID19
Wednesday, 24 June 2020	10:00	11:00	Validating testing during a novel pandemic
Wednesday, 24 June 2020	14:00	15:00	Panel: Key decision points around imaging in COVID-19 patients
Wednesday, 24 June 2020	16:00	17:00	Blood donor recruitment and retention strategies
Thursday, 25 June 2020	10:00	11:00	Enabling effective infection control across the Arab Gulf region
Thursday, 25 June 2020	12:00	13:00	Panel: New frontiers and innovations in Patient safety
Thursday, 25 June 2020	14:00	15:00	Panel: Availability and safety of blood supply during the pandemic of COVID-19
Thursday, 25 June 2020	16:00	17:00	Having difficult conversations on end of life and palliative care
Friday, 26 June 2020	10:00	11:00	Emergency preparedness & top tips for emergency medicine practitioners and pre-hospital care professionals
Friday, 26 June 2020	11:00	12:00	Panel: Future surgery: which technologies will make the biggest impact?
Friday, 26 June 2020	12:00	13:00	Panel: Operating through the endoscope: The new minimally invasive surgery revolution
Friday, 26 June 2020	14:00	15:00	SPOTLIGHT: Primary care recovery post-COVID19 – how to rejuvenate the system for the future

Documentation

Speaker presentations will be available online on a secured Informa website 6 weeks after the event. The link to the website and a password will be forwarded to you via email by the Informa team. Note that the distribution of presentations is subject to the approval of our speakers.

Evaluation

Informa Markets, the organisers of Omnia Health Live (OHL), are always striving to produce high quality and up to date medical conferences. We therefore appreciate all comments and feedback from our delegates, and **we always ensure that we refer to them when producing the next year's programmes.** When you claim your CME online you will be given the opportunity to evaluate the conference in order to receive your *AMA PRA Category 1 Credits™* and certificate.

ACCREDITATION AND CME INFORMATION

Accreditation Statement

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 20.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Grantor Acknowledgement

The Cleveland Clinic Foundation Center for Continuing Education acknowledges an educational grant for partial support of this activity from:

- Masimo International SARL

Disclaimer

The information in this educational activity is provided for general medical education purposes only and is not meant to substitute for the independent medical judgment of a physician relative to diagnostic and treatment options of a specific patient's medical condition. The viewpoints expressed in this CME activity are those of the authors/faculty. They do not represent an endorsement by The Cleveland Clinic Foundation. In no events will The Cleveland Clinic Foundation be liable for any decision made or action taken in reliance upon the information provided through this CME activity.

How to Obtain your CME Certificate

The evaluation and CME credit claiming will be available online approximately 10 business days after the event. An e-mail from Informa will be sent to you with instructions for claiming *AMA PRA Category 1 Credit(s)*[™], and you will have 60 days following the activity to claim credits.

Participants will need to be logged in to be able to claim CME credits. Please note that the email address used by participants should be the same email address used for credit claiming.

Please feel free to email our registration team if you failed to receive the claiming instructions after 10 working days post event (LSRegistrationteam@informa.com)

Breakdown of CME Credits

Date	Session name	CME Credit
Monday, 22 June 2020	The impact of low-quality PPE on infection control in Australia (Parallel to the 10:00-11:00 session)	0.5
Monday, 22 June 2020	Lab management during the COVID-19 pandemic	1.0
Monday, 22 June 2020	Panel: Cancer care delivery challenges and solutions in the pandemic	1.0
Monday, 22 June 2020	SPOTLIGHT: COVID-19 testing lessons learned in the US	1.0
Monday, 22 June 2020	Staying safe & staying sane: Sustaining and maintaining the mental health needs of healthcare workers	1.0
Tuesday, 23 June 2020	Panel: World-class quality management within multidisciplinary health services	1.0
Tuesday, 23 June 2020	Medical Technologists Versus COVID-19: The Philippine Experience	1.0
Tuesday, 23 June 2020	COVID-19: Peri-operative considerations	1.0
Tuesday, 23 June 2020	Regenerative medicine in MSK in the era of COVID-19	1.0
Wednesday, 24 June 2020	Panel: Women's health care in the era of COVID19	1.0

Wednesday, 24 June 2020	Validating testing during a novel pandemic	1.0
Wednesday, 24 June 2020	Panel: Key decision points around imaging in COVID-19 patients	1.0
Wednesday, 24 June 2020	Blood donor recruitment and retention strategies	1.0
Thursday, 25 June 2020	Enabling effective infection control across the Arab Gulf region	1.0
Thursday, 25 June 2020	Panel: New frontiers and innovations in Patient safety	1.0
Thursday, 25 June 2020	Panel: Availability and safety of blood supply during the pandemic of COVID-19	1.0
Thursday, 25 June 2020	Having difficult conversations on end of life and palliative care	1.0
Friday, 26 June 2020	Emergency preparedness & top tips for emergency medicine practitioners and pre-hospital care professionals	1.0
Friday, 26 June 2020	Panel: Future surgery: which technologies will make the biggest impact?	1.0
Friday, 26 June 2020	Panel: Operating through the endoscope: The new minimally invasive surgery revolution	1.0
Friday, 26 June 2020	SPOTLIGHT: Primary care recovery post-COVID19 – how to rejuvenate the system for the future	1.0
	Total maximum credits	20.5

FACULTY LISTING

Activity Director:

Dr Anthony Fernandez, Medical Director, Center for Continuing Education, Cleveland Clinic, Cleveland, Ohio, USA

Faculty:

- Dr Aaron Han, Consultant Pathologist and Director of Haematology and Flow Cytometry, American Hospital Dubai; Vice President, Emirates Pathology Society, Dubai, UAE
- Prof Abderrazek Hedhili, Regional Federation Representative, AFCB; Professor of Toxicology at the Faculty of Pharmacy of Monastir and at the Faculty of Medicine of Tunis and Health Institutes, Tunis, Tunisia
- Dr Abdulelah AlHawsawi, Director General, Saudi Patient Safety Center, Riyadh, KSA
- Dr Abhishek Shankar, Assistant Professor, Department of Radiation Oncology, Lady Hardinge Medical College, Directorate General of Health Services, Ministry of Health & Family Welfare, Government of India; Founder Secretary, Indian Society of Clinical Oncology; Associate Editor, Asian Pacific Journal of Cancer Prevention, New Delhi, India
- Dr Allan Mishra, Orthopaedist, Sports Medicine Surgeon, Menlo Medical Clinic, Stanford Healthcare, Palo Alto, California, USA
- Dr Ammar Salti, Consultant, Anesthesia & Pain Medicine, Sheikh Khalifa Medical City, Abu Dhabi, UAE
- Dr Arun Kumar, Consultant Cardiothoracic Anaesthesiologist & Clinical Associate Professor in Anaesthesiology, Cleveland Clinic Lerner College of Medicine, Medical Director, Transplant Anaesthesiology, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE
- Dr Asaad Shujaa, Consultant of Emergency Medicine, ICU, Trauma, EMS and Disaster Medicine, Lead of Research, Johns Hopkins Aramco Health Care Centre, Assistant Professor at Weill Cornell Medical College, Editor in Chief of Saudi Journal of Emergency Medicine, General Secretary, Gulf Federation of Emergency Medicine, Riyadh, KSA
- Dr Atiya Mosam, Public Health Medicine Specialist; Senior Researcher: PRICELESS SA - SAMRC/Centre for Health Economics and Decision Science; Director, Common Purpose South Africa, Johannesburg, South Africa
- Prof Dr Barham K Abu Dayyeh, Director of Advanced Endoscopy, Mayo Clinic, Rochester, Minnesota, USA

- Dr Bijendra Patel, Editor in Chief, Journal of Surgical Simulation, Consultant Upper GI & Laparoscopic Surgeon, Barts Health NHS Trust, Clinical Lead for General Surgery, Network Director for Upper GI Surgery, Director of Surgical Skills and Science, Queen Mary University of London, London, UK
- Prof Dr Birgit S Gathof, International Society of Blood Transfusion, Regional Director Europe, Director of Transfusion Medicine, University Hospital of Cologne, Germany
- Dr Brenda Kubheka, Managing Director, Ethics and Clinical Risk Lead, Health IQ Consulting, Johannesburg, South Africa
- Dr Brian J. Cole, Associate Chairman and Professor, Department of Orthopaedics, Chairman, Department of Surgery, Rush OPH, Team Physician, Chicago Bulls, Chicago White Sox and Chicago Dogs, Rush University Medical Center, Chicago, Illinois, USA
- Dr Cary Adams, Chief Executive Officer, Union for International Cancer Control (UICC), Chairman, NCD Alliance, UK
- Dr Cathryn Murphy, Standards Officer, Australian College of Perioperative Nurses (ACORN), Melbourne, Australia
- Carlo Kaabar, Lab Manager, Al Qassimi Women & Children Hospital, Sharjah, United Arab Emirates
- Dr Dan Levitt, Ted Speaker, Executive Director, Tabor Village, Adjunct Professor, Gerontology, Simon Fraser University, Adjunct Professor, School of Nursing, University of British Columbia, Sessional Instructor, School of Health Sciences, British Columbia
- Dr Elizaveta Kon, Associate Professor, Humanitas University, Orthopaedic Surgeon, Joint Reconstruction Center, Humanitas Research Hospital, Milan, Italy
- Prof Dr Hans-Ulrich Kauczor, Member, WHO Taskforce for Imaging in the COVID-19 Pandemic, Professor and Chairman of Radiology, German Center for Lung Research (DZL), Director, Translational Lung Research Center Heidelberg (TLRC), Executive Board, Medical Director, Department of Diagnostic and Interventional Radiology, Heidelberg University Hospital, Heidelberg, Germany
- Dr Humaid Al-Shamsi, President, Emirates Oncology Society, Consultant, Internal Medicine, Medical Oncology, Al Zahra Hospital, Dubai, UAE
- Dr Januario D. Veloso, Consultant Hematopathologist, Department of Pathology, UP College of Medicine and the Philippine General Hospital, Manila, Philippines
- Jacqui Stewart, Chief Executive Officer, The Council for Health Service Accreditation of Southern Africa NPC, Cape Town, South Africa
- Dr James Snyder, Professor, Department of Pathology and Laboratory Medicine; Chief of Microbiology, University of Louisville, Louisville, Kentucky, USA
- Dr Jimi Coker, Board Member and Chairman of our Technical Committee, Society for Quality in Healthcare in Nigeria (SQHN), Lagos, Nigeria
- Dr Joris R. Delanghe, Past President, Royal Belgian Society for Clinical Chemistry; In charge of the Clinical Chemistry Laboratory, Ghent University Hospital, Ghent, Belgium
- Prof Juan M. Acuña, Chair, Department of Epidemiology and Public Health & Assistant Dean for Research, Khalifa University, Dubai, UAE
- Dr Justina Kordai Ansah, Chief Executive Officer; Expert Member for Transfusion Safety; Regional Director for African Region; Chairperson, ISBT Working Party Blood Supply Management, National Blood Service Ghana, WHO, ISBT; Accra, Ghana
- Dr Karen Luxford, CEO, The Australian Council on Healthcare Standards and ACHS International, New South Wales, Australia
- Dr Kiran K. Turaga, Vice Chief, Section of General Surgery and Surgical Oncology, Director, Surgical GI Cancer Program, Director, Regional Therapeutics Program, The University of Chicago Medicine, Chicago, Illinois, USA
- Dr Kirill Micallef Stafrace, Consultant Sports and Exercise Medicine, Medical Director, Malta Football Association; Chairman, Medical Commission of the Maltese Olympic Committee; Senior Lecturer, University of Malta, Msida, Malta
- Prof Kristina Gemzell Danielsson, Senior Consultant & Chair Of Obstetrics And Gynaecology, Director -WHO Collaboration Centre For Research In Human Reproduction, Karolinska Institute, Stockholm, Sweden

- Prof Dr Mahmud Mossa-Basha, Chair, RSNA COVID-19 Task force, Associate Professor, Vice Chair of Clinical Operations, Chief of Radiology, UW Medical Center , Montlake and Northwest Campuses, Medical Director of MRI, Neuroradiology, Department of Radiology, University of Washington, Seattle, Washington, USA
- Prof Dr Manoel Galvao Neto, Director of Innovation, International Bariatric Club - IBC, Oxford, UK, Affiliated Professor of Surgery, ABC Medical School, Sao Paulo, Brazil
- Assoc. Prof. Ma. Freida Z. Hapan, Executive Secretary, Philippine Association of Medical Technologists (PAMET), Manila, Philippines
- Prof Marian Knight, Professor of Maternal and Child Population Health, Nuffield Department of Population Health, Oxford University, Oxford, UK
- Dr Maryam Alkhatry, President, Pan Arab Gastroenterology Society, Consultant Gastroenterologist, Head of GI Endoscopy Department – Gastroenterology, Ibrahim bin Hamad Obaid Allah Hospital, Ras Al Khaimah, UAE
- Dr Matthew Kroh, Institute Chair, Surgery, Digestive Diseases Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE
- Dr May Yassin Raouf, Head & Medical Director, Dubai Blood Donation Center, Pathology & Genetics Department, Expert Member for Transfusion Safety, WHO, Regional Director for Eastern Mediterranean Region, ISBT, Dubai, UAE
- Prof Dr Michael Fuchsjaeger, President, European Society of Radiology, Professor and Chairman, Department of Radiology, Medical University of Graz, Graz, Austria
- Prof Dr Michael Ramsay, Board Chairman, Patient Safety Movement Foundation; Chief of Service, Department of Anesthesiology & Pain Management, Baylor University Medical Center; President, Baylor Research Institute, Dallas, Texas, USA
- Prof. Nattiya Hirankarn, Chair of Clinical Microbiology Department of Microbiology, Faculty of Medicine, Chulalongkorn, Bangkok, Thailand
- Professor Neil Greenberg, Professor of Defence Mental Health, Kings College London, London, UK
- Prof Dr Nicola Maffulli, Consultant Orthopaedic and Sports Injury Surgeon, Professor of Sport Medicine, Barts and The London School of Medicine and Dentistry, Director of The Centre for Sport and Exercise Medicine, London, UK
- Dr Patrick O'Brien, Vice President: Membership, Royal College of Obstetrics & Gynaecologists (RCOG); Consultant in Obstetrics & Gynaecology, University College London Hospitals, London, UK
- **Dr Paul Barach, Clinical Professor, Wayne State University School of Medicine, Children's Hospital of Michigan, Patient Safety Committee Member, American Society of Anesthesiologists, Detroit, Michigan, USA**
- Dr Paul Bosio, Chief Medical Officer, Corniche Hospital, Abu Dhabi, UAE
- Paula Wilson, President and Chief Executive Officer, Joint Commission International, Illinois, USA
- Dr PK Menon, Director, Healthcare Management, CALM Worldwide FZE, Dubai, UAE
- Rebecca East, Chief Executive Officer, Australian College of Perioperative Nurses (ACORN), Melbourne, Australia
- Dr Rola Hammoud, Chief Quality Officer, Clemenceau Medical Centre (Johns Hopkins International), President, Lebanese Society for Quality and Safety in Healthcare, Beirut, Lebanon
- Ronaldo Puno, National President, Philippine Association of Medical Technologists (PAMET), Manila, Philippines
- Saad AlQahtani, Clinical Researcher, National Ambulance, Abu Dhabi, UAE
- Dr Samer Ellahham, Regional Chair, Middle East, Patient Safety Movement Foundation, Cleveland Clinic Caregiver, Senior Cardiovascular Consultant, Heart and Vascular Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE
- Prof Salman Rawaf, Professor of Public Health; Director, WHO Collaborating Centre, Department of Primary Care and Public Health, School of Public Health Faculty of Medicine, Imperial College London, UK
- Prof Salome Maswime, Head of Global Surgery, University of Cape Town, President, South African Clinician Scientists Society; Specialist OBGYN, Groote Schuur Hospital, Cape Town, South Africa
- Prof Dr Solange Peters, President, European Society for Medical Oncology, Lausanne, Switzerland
- Prof Dr Timothy Pawlik, Surgeon-in-chief, Ohio State University Comprehensive Cancer Center, Columbus, Ohio, USA

- Dr Tjan Sian Hwa, Head of Clinical Laboratory Department Premier Jatinegara Hospital, Jakarta, Indonesia
- Prof Dr Valentin Sinitsyn, President, Russian Society of Radiology (RSR), Head of Radiology at Faculty of Fundamental Medicine, University Hospital, Lomonosov Moscow State University, Moscow, Russia
- Dr Mayur Lakhani, Chairman, The Faculty of Medical Leadership and Management, Immediate Past President, The Royal College of General Practitioners, NHS portfolio GP (Principal), CCG Lead, Past Chair, The National Council for Palliative Care, London, UK
- Dr Mike Durkin, Senior Advisor on Patient Safety Policy and Leadership, Institute of Global Health Innovation, Imperial College London, London, UK
- Dr Muneera M. Al-Asfoor, Chief of emergency department, Amiri hospital, Deputy chief of emergency medicine council, Head of exam committee of Kuwait board of emergency medicine, Kuwait City, Kuwait
- Dr Naima Oumeziane, Medical Director, Abu Dhabi Blood Bank, SEHA, Abu Dhabi, UAE
- Dr Nisreen Maghraby, EM/Trauma & Disaster Management Consultant, Chairperson Emergency & Disaster Preparedness Unit, Chairperson EM certifying exam Committee, Saudi Council for Health Sciences, King Faisal Hospital University, Imam Abdulrahman Bin Faisal University, Dammam, KSA
- Dr Reem Al Radhwan, Head, Blood Transfusion, The Kuwait Central Blood Bank, Kuwait, Kuwait
- Dr Salah Alghanem, President of Bahrain Society of Emergency Medicine, Manama, Bahrain
- Dr Saleh Fares, President, Emirate Society of Emergency Medicine, Dubai, UAE
- Dr Robert Sautter, Consultant, RL Sautter Consulting LLC, Lancaster, South Carolina, USA
- Dr Stanley W. Ashley, Frank Sawyer Professor of Surgery, Harvard Medical School; General, Gastrointestinal and Oncologic Surgeon, Brigham and Women's Hospital, Boston, Massachusetts, USA
- Dr Wael Faroug Mohamed Elamin, Consultant Clinical Microbiologist and Infection Control Doctor, King's College Hospital, Dubai, UAE
- Dr William Murrell, President and Founder, the American Academy Board of Regenerative Medicine – Middle East North Africa, Consultant Orthopaedic Surgeon, Healthpoint, Dubai, UAE

Faculty Disclosure

In accordance with the Standards for Commercial Support issued by the Accreditation Council for Continuing Medical Education (ACCME), The Cleveland Clinic Foundation Center for Continuing Education requires resolution of all faculty conflicts of interest to ensure CME activities are free of commercial bias.

The following faculty have indicated that they may have a relationship, which in the context of their presentation(s), could be perceived as a potential conflict of interest:

Faculty Name	Name of Commercial Interest	Relationship
Allan Mishra, MD	Zimmer-Biomet	Intellectual property rights (Royalties or patent sales)

PROGRAMME

Session: The impact of low-quality PPE on infection control in Australia

Monday, 22 June 10:00 – 10:30 am GST LIVE with Q&A

Session Chair:

Rebecca East, Chief Executive Officer, Australian College of Perioperative Nurses (ACORN), Melbourne, Australia

Speaker:

Dr Cathryn Murphy, Standards Officer, Australian College of Perioperative Nurses (ACORN), Melbourne, Australia

Session: Lab management during the COVID-19 pandemic

Monday, 22 June, 10:00 - 11:00 AM GST

Session Description: Heads of lab from Asia, Europe and Middle East will discuss the extended role of laboratory diagnostics in managing COVID-19, an overview of their current situation and management lessons

Session Chair:

Carlo Kaabar, Lab Manager, Al Qassimi Women & Children Hospital, Sharjah, United Arab Emirates

Panelists:

- Dr Januario D. Veloso, Consultant hematopathologist, Department of Pathology, UP College of Medicine and the Philippine General Hospital, Manila, Philippines
- Prof Nattiya Hirankarn, Chair of Clinical Microbiology Department of Microbiology, Faculty of Medicine, Chulalongkorn University, Bangkok, Thailand
- Dr Tjan Sian Hwa, Head of Clinical Laboratory Department Premier Jatinegara Hospital, Jakarta, Indonesia
- Prof Abderrazek Hedhili, Regional Federation Representative, AFCB; Professor of Toxicology at the Faculty of Pharmacy of Monastir and at the Faculty of Medicine of Tunis and Health Institutes, Tunis, Tunisia
- Dr Joris R. Delanghe, Past President, Royal Belgian Society for Clinical Chemistry; In charge of the Clinical Chemistry Laboratory, Ghent University Hospital, Ghent, Belgium

Session: Panel: Cancer care delivery challenges and solutions in the pandemic

Monday, 22 June, 12:00 - 1:00 PM GST

Session Description: What are the immediate priorities to improve the quality and resiliency of cancer care

Session Chair:

Prof Dr Solange Peters, President, European Society for Medical Oncology, Lausanne, Switzerland

Panelists:

- Dr Abhishek Shankar, Assistant Professor, Department of Radiation Oncology, Lady Hardinge Medical College, Directorate General of Health Services, Ministry of Health & Family Welfare, Government of India; Founder Secretary, Indian Society of Clinical Oncology; Associate Editor, Asian Pacific Journal of Cancer Prevention
- Dr Cary Adams, Chief Executive Officer, Union for International Cancer Control (UICC), Chairman, NCD Alliance, UK

- Dr Humaid Al-Shamsi, President, Emirates Oncology Society, Consultant, Internal Medicine, Medical Oncology, Al Zahra Hospital, Dubai, UAE
- Dr Kiran K. Turaga, Vice Chief, Section of General Surgery and Surgical Oncology, Director, Surgical GI Cancer Program, Director, Regional Therapeutics Program, The University of Chicago Medicine, Chicago, Illinois, USA

Session: Staying safe & staying sane: Sustaining and maintaining the mental health needs of healthcare workers

Monday, 22 June, 2:00 - 3:00 PM GST

Session Description: Sharing insight on how to protect the wellbeing of healthcare staff in the COVID-19 crisis and in general

Session Chair:

Dr Atiya Mosam, Public Health Medicine Specialist and Researcher, PRICELESS SA, Executive Board Member, Public Health Association of South Africa, Johannesburg, South Africa

Speaker:

Professor Neil Greenberg, Professor of Defence Mental Health, Kings College London, London, UK

Session: SPOTLIGHT: COVID-19 testing lessons learned in the US

Monday, 22 June, 4:00 - 5:00 PM GST

Session Description: Pathologist from the USA shares his experience on how his lab handled the massive testings and what the next measures are when the pandemic slows down

Session Chair:

Dr Robert Sautter, Consultant, RL Sautter Consulting LLC, Lancaster, South Carolina, USA

Speaker:

Dr James Snyder, Professor, Department of Pathology and Laboratory Medicine; Chief of Microbiology, University of Louisville, Louisville, Kentucky, USA

Session: Panel: World-class quality management within multidisciplinary health services

Tuesday, 23 June, 10:00:00 AM - 11:00:00 AM GST

Session Description:

This panel will explore:

- Biggest challenges for Quality Management at this time
- Is it possible to still push for quality improvement in a time like this?
- The effect of COVID-19 on the Sustainable Development Goals
- Maintaining quality and patient safety in resource restricted environments
- How to ensure staff motivation and safety?
- The role of innovation and telemedicine of COVID : What have we learnt and thoughts for the future?
- What does the future of quality in healthcare look like?

Session Chair:

Dr Samer Ellahham, Regional Chair, Middle East, Patient Safety Movement Foundation, Cleveland Clinic Caregiver, Senior Cardiovascular Consultant, Heart and Vascular Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Panelists:

- Jacqui Stewart, Chief Executive Officer, The Council for Health Service Accreditation of Southern Africa NPC, Cape Town, South Africa
- Dr Rola Hammoud, Chief Quality Officer, Clemenceau Medical Centre (Johns Hopkins International), President, Lebanese Society for Quality and Safety in Healthcare, Beirut, Lebanon
- Dr Jimi Coker, Board Member and Chairman of our Technical Committee, Society for Quality in Healthcare in Nigeria (SQHN), Lagos, Nigeria
- Dr Karen Luxford, CEO, The Australian Council on Healthcare Standards and ACHS International, New South Wales, Australia
- Paula Wilson, President and Chief Executive Officer, Joint Commission International, Illinois, USA

Session: Medical Technologists Versus COVID-19: The Philippine Experience

Tuesday, 23 June, 12:00 – 1:00 PM GST – *LIVE with Q&A*

Session description: COVID-19 is changing the face of healthcare at an unprecedented pace. PAMET's president, Ronaldo Puno, highlights the key role of med tech in tackling the virus, discusses the issues impacting medical technologists, and its effect in the future of healthcare in the Philippines and laboratory medicine in Asia.

Session chair:

Assoc. Prof. Ma. Freida Z. Hapan, Executive Secretary, Philippine Association of Medical Technologists (PAMET), Manila, Philippines

Speaker:

Ronaldo Puno, National President, Philippine Association of Medical Technologists (PAMET), Manila, Philippines

Session: Panel: Regenerative medicine in MSK in the era of COVID-19

Tuesday, 23 June, 2:00 – 3:00 PM GST

Session Description: The discussion will focus on the use of stem cells and PRP in orthopaedic surgery. Things have changed since COVID-19 and this global panel will explore what this means for orthopaedic surgery and regenerative medicine.

Session chair: Dr William Murrell, President and Founder, the American Academy Board of Regenerative Medicine – Middle East North Africa, Consultant Orthopaedic Surgeon, Healthpoint, Dubai, UAE

Panelists:

- Dr Brian J. Cole, Associate Chairman and Professor, Department of Orthopaedics, Chairman, Department of Surgery, Rush OPH, Team Physician, Chicago Bulls, Chicago White Sox and Chicago Dogs, Rush University Medical Center, Chicago, Illinois, USA
- Dr Elizaveta Kon, Associate Professor, Humanitas University, Orthopaedic Surgeon, Joint Reconstruction Center, Humanitas Research Hospital, Milan, Italy
- Dr Kirill Micallef Stafrace, Consultant Sports and Exercise Medicine, Medical Director, Malta Football Association; Chairman, Medical Commission of the Maltese Olympic Committee; Senior Lecturer, University of Malta, Msida, Malta
- Prof Dr Nicola Mafulli, Consultant Orthopaedic and Sports Injury Surgeon, Professor of Sport Medicine, Barts and The London School of Medicine and Dentistry, Director of The Centre for Sport and Exercise Medicine, London, UK
- Dr Allan Mishra, Orthopaedist, Sports Medicine Surgeon, Menlo Medical Clinic, Stanford Healthcare, Palo Alto, California, USA

Session: COVID-19: Peri-operative considerations

Tuesday, 23 June, 4:00 – 5:00 PM GST

Session Description: Reviewing how COVID-19 has impacted surgical procedures, considering ward admission, anesthesia, surgery and recovery.

Session Chairs:

- Dr Ammar Salti, Consultant, Anesthesia & Pain Medicine, Sheikh Khalifa Medical City, Abu Dhabi, UAE
- Dr Arun Kumar, Consultant Cardiothoracic Anaesthesiologist & Clinical Associate Professor in Anaesthesiology, Cleveland Clinic Lerner College of Medicine, Medical Director, Transplant Anaesthesiology, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Speaker:

Dr Paul Barach, Clinical Professor, Wayne State University School of Medicine, Children's Hospital of Michigan, Patient Safety Committee Member, American Society of Anesthesiologists, Detroit, Michigan, USA

Session: Validating testing during a novel pandemic

Wednesday, 24 June, 10:00 – 11:00 AM GST LIVE *session with Q&A*

Session Description: **American Hospital's Dr Aaron Han reviews overarching challenges in COVID-19 test validations and shares potential solutions, as experienced in the UAE.**

Session Chair:

Dr PK Menon, Director, Healthcare Management, CALM Worldwide FZE, Dubai, UAE

Speaker:

Dr Aaron Han, Consultant Pathologist and Director of Haematology and Flow Cytometry, American Hospital Dubai; Vice President, Emirates Pathology Society, Dubai, UAE

Session: Panel: Women's health care in the era of COVID19

Wednesday, 24 June, 12:00 - 1:00 PM GST

Session Description: This panel will share expert perspectives on

- Obstetric outcomes and COVID19
- COVID19 infection and pregnancy care
- Considerations for inpatient obstetric healthcare settings
- **What's the research saying?**

Session Chair:

Dr Paul Bosio, Chief Medical Officer, Corniche Hospital, Abu Dhabi, UAE

Panelists:

- Dr Patrick O'Brien, Vice President: Membership, Royal College of Obstetrics & Gynaecologists (RCOG); Consultant in Obstetrics & Gynaecology, University College London Hospitals, London, UK
- Prof Salome Maswime, Head of Global Surgery, University of Cape Town; President, South African Clinician Scientists Society; Specialist OBGYN, Groote Schuur Hospital, Cape Town, South Africa
- Prof Juan M. Acuña, Chair, Department of Epidemiology and Public Health & Assistant Dean for Research, Khalifa University, Dubai, UAE

- Prof Marian Knight, Professor of Maternal and Child Population Health, Nuffield Department of Population Health, Oxford University, Oxford, UK
- Prof Kristina Gemzell Danielsson, Senior Consultant & Chair Of Obstetrics And Gynaecology, Director -WHO Collaboration Centre For Research In Human Reproduction, Karolinska Institute, Stockholm, Sweden

Session: Panel: Key decision points around imaging in COVID-19 patients

Wednesday, 24 June, 2:00 – 3:00 PM GST

Session Description: This panel will review:

- Where AI Radiology software can go wrong and what Radiologists worldwide need to be wary of
- Triage with imaging for COVID-19 patients – indications
- Portable Ultrasound chest imaging of COVID-19 patients: pearls and tips for the non-Radiologist
- Diagnostic work-up to avoid possible thromboembolic complications in patients with COVID-19
- Standardizing reporting for Chest CTs
- CT pulmonary angiography indications

Session Chair:

Prof Dr Michael Fuchsjaeger, President, European Society of Radiology, Professor and Chairman, Department of Radiology, Medical University of Graz, Graz, Austria

Panelists:

- Prof Dr Mahmud Mossa-Basha, Chair, RSNA COVID-19 Task force, Associate Professor, Vice Chair of Clinical Operations, Chief of Radiology, UW Medical Center , Montlake and Northwest Campuses, Medical Director of MRI, Neuroradiology, Department of Radiology, University of Washington, Seattle, Washington, USA
- Prof Dr Hans-Ulrich Kauczor, Member, WHO Taskforce for Imaging in the COVID-19 Pandemic, Professor and Chairman of Radiology, German Center for Lung Research (DZL), Director, Translational Lung Research Center Heidelberg (TLRC), Executive Board, Medical Director, Department of Diagnostic and Interventional Radiology, Heidelberg University Hospital, Heidelberg, Germany
- Prof Dr Valentin Sinitsyn, President, Russian Society of Radiology (RSR), Head of Radiology at Faculty of Fundamental Medicine, University Hospital, Lomonosov Moscow State University, Moscow, Russia

Session: Blood donor recruitment and retention strategies

Wednesday, 24 June, 4:00 – 5:00 PM GST

Session Description: How to sustainably overcome challenges associated with blood donor recruitment

Session Chair:

Dr May Yassin Raouf, Head & Medical Director, Dubai Blood Donation Center, Pathology & Genetics Department, Expert Member for Transfusion Safety, WHO, Regional Director for Eastern Mediterranean Region, ISBT, Dubai, UAE

Speaker:

Dr Justina Kordai Ansah, Chief Executive Officer; Expert Member for Transfusion Safety; Regional Director for African Region; Chairperson, ISBT Working Party Blood Supply Management, National Blood Service Ghana, WHO, ISBT; Accra, Ghana

Session: Enabling effective infection control across the Arab Gulf region

Thursday, 25 June, 10:00 – 11:00 AM GST – *Live Session with Q&A*

Session Description: Best practice to contain and control infectious disease spread across the Arab region

Session Chair:

Dr Aaron Han, Consultant Pathologist and Director of Haematology and Flow Cytometry, American Hospital Dubai; Vice President, Emirates Pathology Society, Dubai, UAE

Speaker:

Dr Wael Faroug Mohamed Elamin, Consultant Clinical Microbiologist and Infection Control Doctor, King's College Hospital, Dubai, UAE

Session: Panel: New frontiers and innovations in Patient safety

Thursday, 25 June, 12:00 – 1:00 PM GST

Session Description: Panelists will share their thoughts and perspectives on how COVID19 has impacted patient safety key issues including;

- The expedited role of digital technology & AI in Patient Safety
- How to maintain the safety of our patients and the health worker: lesson learned from Covid-19
- The new face of patient advocacy
- Advances in IPC – monitoring, surveillance & tracking
- Tools and strategies for quality and safety improvement during public health crisis

Session Chair:

Prof Dr Michael Ramsay, Board Chairman, Patient Safety Movement Foundation; Chief of Service, Department of Anesthesiology & Pain Management, Baylor University Medical Center; President, Baylor Research Institute, Dallas, Texas, USA

Panelists:

- Dr Mike Durkin, Senior Advisor on Patient Safety Policy and Leadership, Institute of Global Health Innovation, Imperial College London, London, UK
- Dr Brenda Kubheka, Managing Director, Ethics and Clinical Risk Lead, Health IQ Consulting, Johannesburg, South Africa
- Dr Abdulelah AlHawsawi, Director General, Saudi Patient Safety Center, Riyadh, KSA

Session: Panel: Availability and safety of blood supply during the pandemic of COVID-19

Thursday, 25 June, 2:00 – 3:00 PM GST

Session Description: Various heads of blood donation centres gather to discuss WHO perspectives and actions in collecting convalescent plasma and maintaining safety during the pandemic

Session Chair:

Dr May Yassin Raouf, Head & Medical Director, Dubai Blood Donation Center, Pathology & Genetics Department, Expert Member for Transfusion Safety, WHO, Regional Director for Eastern Mediterranean Region, ISBT, Dubai, UAE

Panelists:

- Dr Reem Al Radhwan, Head, Blood Transfusion, The Kuwait Central Blood Bank, Kuwait
- Dr Naima Oumeziane, Medical Director, Abu Dhabi Blood Bank, SEHA, Abu Dhabi, UAE

- Prof Dr Birgit S Gathof, International Society of Blood Transfusion, Regional Director Europe; Director of Transfusion Medicine, University Hospital of Cologne, Germany

Session: Having difficult conversations on end of life and palliative care

Thursday, 25 June, 4:00 – 5:00 PM GST

Session Description: Advice on how to conduct this difficult conversation

Session Chair:

Dr Dan Levitt, Ted Speaker, Executive Director, Tabor Village, Adjunct Professor, Gerontology, Simon Fraser University, Adjunct Professor, School of Nursing, University of British Columbia, Sessional Instructor, School of Health Sciences, British Columbia

Speaker:

Dr Mayur Lakhani, Chairman, The Faculty of Medical Leadership and Management, Immediate Past President, The Royal College of General Practitioners, NHS portfolio GP (Principal), CCG Lead, Past Chair, The National Council for Palliative Care, London, UK

Session: Emergency preparedness & top tips for emergency medicine practitioners and pre-hospital care professionals

Friday, 26 June, 10:00 – 11:00 AM GST

Session Description: Led with the support of the Gulf Federation for Emergency Medicine, expert panelists will share updates to equip delegates on the latest best practice in emergency care from the scene to the hospital

Session Chairs:

- Saad AlQahtani, Clinical Researcher, National Ambulance, Abu Dhabi, UAE
- Dr Asaad Shujaa, Consultant of Emergency Medicine, ICU, Trauma, EMS and Disaster Medicine, Lead of Research, Johns Hopkins Aramco Health Care Centre, Assistant Professor at Weill Cornell Medical College, Editor in Chief of Saudi Journal of Emergency Medicine, General Secretary, Gulf Federation of Emergency Medicine, Riyadh, KSA

Panelists:

- Dr Nisreen Maghraby, EM/Trauma & Disaster Management Consultant, Chairperson Emergency & Disaster Preparedness Unit, Chairperson EM certifying exam Committee, Saudi Council for Health Sciences, King Faisal Hospital University, Imam Abdulrahman Bin Faisal University, Dammam, KSA
- Dr Saleh Fares, President, Emirate Society of Emergency Medicine, Dubai, UAE
- Dr Salah Alghanem, President of Bahrain Society of Emergency Medicine, Manama, Bahrain
- Dr Muneera M. Al-Asfoor, Chief of emergency department, Amiri hospital, Deputy chief of emergency medicine council, Head of exam committee of Kuwait board of emergency medicine, Kuwait City, Kuwait

Session: Panel: Operating through the endoscope: The new minimally invasive surgery revolution

Friday, 26 June, 12:00 – 13:00 PM GST

Session Description:

This panel will review:

- Diagnostic endoscopy before any bariatric surgery procedure.
- Bariatric endoscopy as a new subspecialty of both advanced endoscopy and bariatric surge
- Will primary endoluminal procedures be more common than primary bariatric surgical procedures in the next ten years?
- POEM as the procedure of choice for Types 1,2,3 achalasia in 2020
- Intramural endoscopy as additional fellowship training beyond an advanced endoscopy fellowship
- Routine use of advanced imaging for potentially neoplastic lesions of the GI tract

Session Chair:

Dr Matthew Kroh, Institute Chair, Surgery, Digestive Diseases Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Panelists:

- Prof Dr Barham K Abu Dayyeh, Director of Advanced Endoscopy, Mayo Clinic, Rochester, Minnesota, USA
- Dr Maryam Alkhatry, President, Pan Arab Gastroenterology Society, Consultant Gastroenterologist, Head of GI Endoscopy Department – Gastroenterology, Ibrahim bin Hamad Obaid Allah Hospital, Ras Al Khaimah, UAE
- Prof Dr Manoel Galvao Neto, Director of Innovation, International Bariatric Club - IBC, Oxford, UK, Affiliated Professor of Surgery, ABC Medical School, Sao Paulo, Brazil

Session: Primary care recovery post-COVID19 – how to rejuvenate the system for the future

Friday, 26 June, 14:00 – 15:00 PM GST

Session Description:

This talk will cover:

- Current fundamental issues impacting primary care during COVID19
- Strategies to reboot and reopen the primary care system
- Preparing for a second wave
- The new normal in primary care

Moderator:

Dr Atiya Mosam, Public Health Medicine Specialist; Senior Researcher: PRICELESS SA - SAMRC/Centre for Health Economics and Decision Science; Director, Common Purpose South Africa, Johannesburg, South Africa

Speaker:

Prof Salman Rawaf, Professor of Public Health; Director, WHO Collaborating Centre, Department of Primary Care and Public Health, School of Public Health Faculty of Medicine, Imperial College London, UK

Session: Panel: Future surgery: which technologies will make the biggest impact?

Friday, 26 June, 16:00 – 17:00 PM GST

Session Description: In the current crisis, which technologies will make the biggest impact on Surgery in the near and distant future?

This panel will review:

- Stories and highlights from different disciplines in rolling out new surgery tools for their practice
- What does the near and distant future look like for robotic surgical systems, remote systems, AR, VR technologies and minimally invasive tools?
- What would the appropriate training and credentialing standards be for surgeons to use robotic surgery?
- Changing patient perceptions and public fear around robotic and remote surgery. What will it take?
- Future training and education – when and how will virtual training be widely accepted?

Session Chair:

Dr Bijendra Patel, Editor in Chief, Journal of Surgical Simulation, Consultant Upper GI & Laparoscopic Surgeon, Barts Health NHS Trust, Clinical Lead for General Surgery, Network Director for Upper GI Surgery, Director of Surgical Skills and Science, Queen Mary University of London, London, UK

Panelists:

- Dr Stanley W. Ashley, Frank Sawyer Professor of Surgery, Harvard Medical School; General, Gastrointestinal and Oncologic Surgeon, Brigham and Women's Hospital, Boston, Massachusetts, USA
- Prof Dr Timothy Pawlik, Surgeon-in-chief, Ohio State University Comprehensive Cancer Center, Columbus, Ohio, USA
